

LEATHER PROTECTORS

Class 2 & Class 4

DEERSKIN LEATHER SERIES

Application

To be worn over rubber insulating gloves to provide mechanical protection against cuts, abrasions, and punctures as well as protect the rubber gloves from possible physical damage in use. They are designed and are to be used solely for the purpose of protecting the rubber gloves. The inner surface of the protectors should be inspected as often as that of the rubber gloves.

CLASS 2 YELLOW CUFF | CLASS 4 RED CUFF
